Procedure for [SSLC Certificate Attestation in Qatar](#)

The process for attestation of an SSLC certificate in Qatar is the same as for any other type of Educational Documents. The steps in the SSLC certificate attestation procedure are as follows:

Notary Level Attestation

Notary level attestation is the first step in the Qatar attestation procedure for any educational document, including your SSLC certificate. This entails having your certificate notarized by a notary public.

State Level Attestation

Following notary level certification, the SSL certificate is sent to the state level for confirmation. The Human Resource Department (HRD), State Home Department (SHD), and Sub-Divisional Magistrate (SDM) all play significant roles at this stage. Following successful verification, these departments and their designated officials sign and seal the certificate.

MEA Attestation:

MEA offers two types of attestation depending on whether the destination country is a Hague Convention signatory. Normal attestation requires the use of a stamp on the back of the certificate, whereas apostille attestation requires the use of both a stamp and an apostille sticker. The final certification of the origin nation of the documents is in charge of the External Affairs Ministry.

Embassy Attestation

In some cases, the embassy of the destination country may conduct extra document validation. At this point, the Qatari embassy extensively checks the contents.

MOFA Attestation

MOFA attestation is the final step in the document attestation process for nations such as Qatar, the United Arab Emirates, Bahrain, Kuwait, and the Kingdom of Saudi Arabia. This important step is required for these countries to validate the use of papers. The MOFA attestation is required for obtaining a work visa or admission to international universities.

Time Involved in [SSLC Certificate Attestation in Qatar](#)

The SSLC certificate attestation process typically takes a few days to a week. Furthermore, the timing is determined by the workload of the office. The method may take some time if there are a large number of attestation applications. However, by employing the services of New India Attestation, you may significantly minimize the processing time. SSLC certificate attestation in Qatar may usually be done in one week.
